18. [REDACTED] LIAISON Received a call from Robert Shuey, CRS/LOC, making an informal request which was whether the Agency would be willing to provide the Library of Congress 500 copies of a map on the Middle East. After checking with NFAC/CSS, I told Shuey that we would accommodate his request, free of charge, and to decide exactly which map he wanted to use for inclusion in a publication. Shuey said he would call me on Monday.
